

Budget Ward Forum

Tuesday, March 21, 2017

Charles H. Best Middle School, 285 Wilmington Ave.

6:30 pm - 8:30 pm

Community consultation is a very important part of the TDSB's budget process.

Leading up to the April meeting when the Board will vote on the balanced budget plan, Trustees will be holding ward forums to hear feedback from students, parents and the community.

Please join Trustee Alexandra Lulka and Senior Business Officer Craig Snider at our ward forum on March 21 to discuss the 2017-18 budget and proposed recommendations to balance the budget.

Your voice is important.

Pizza and refreshments will be served.
